Will the hotel building boom bust Aspen's character?

By Janet Urquhart
Aspen Times Staff Writer
'They're not Vail'

While the 50-unit Hyatt nears completion, construction of The Residences at Little Nell has just begun. The \$300 million, slopeside, private residence club is taking shape to the skier's left of Little Nell. Its 24 fractional suites, eight luxury lodge rooms and two residences are targeted to open in the first half of 2007.

The Residences at Little Nell are under construction alongside the Little Nell run on Aspen Mountain. (Courtesy Poss Architecture + Planning)
