IL MULINO NEW YORK TO OPEN IN ASPEN

CHICAGO..., Il Mulino New York will open in the Residences at the Little Nell in Winter 2007. Il Mulino New York comes to Aspen via New York City where it has become one of New York's landmark institutions, and has been voted the #1 Italian restaurant for over two solid decades by Zagat's.

Il Mulino New York will offer a menu prepared with vibrant flavors of Italian cuisine that draws upon the Abruzzi region on Italy. Il Mulino New York's cuisine is characterized by its simplicity: a rustic and hearty blend of seasonal ingredients from fish, lamb, fresh pastas and cured meats. Some of the signature items include *Spaghettoni Bolognese*; *Rack of Lamb*; *Veal chop*; and the legendary *Langoustines*. The Abruzzese-inspired menu will be enhanced with daily specials, which will complement the old-world charm that matches the continental service of the tableside cooking provided by a professional wait staff.

All meals will begin with a complimentary antipasto tasting of Soppresatta, Bruschetta, Reggiano Parmesan, Fried Zucchini and Garlic/Cheese Bread Sticks. Additionally, all guests will receive a complimentary glass of signature house Grappa.

Il Mulino New York features an Italian wine list that compliments the cuisine, and includes more than 200 selections from Italian varietals with a focus on the Piedmont and Tuscany regions.

Il Mulino New York first opened in New York's Greenwich Village over 20 years ago. Il Mulino New York has expanded their efforts and has opened in Long Island New York, Tokyo, Dallas, Las Vegas, Chicago and Miami. Other cities including Washington D.C. and San Juan, Puerto Rico are coming in 2006.
